

# 90cm Series 7 Box Chimney Wall Rangehood

Series 7 | Contemporary

Engineered for optimum extraction of fumes, smoke and vapour. The powerful fan removes cooking odours and grease from the kitchen quietly and efficiently.

- Variable fan speed, for more flexibility in selecting the perfect extraction rate for your cooking
- Exceptionally powerful maximum air movement of 1020m³/hr
- 4 energy-efficient LED lights to illuminate your cooking surface
- Grease management system

## DIMENSIONS

Height	625 - 930 mm
Width	895 mm
Depth	535 mm

## SPECIFICATIONS

### Accessories (sold separately)

Chimney extension	792492
Ducting solution	•

### Fan ratings

Maximum air movement	1080 m³/hr
Maximum sound rating	68 dBA

### Installation and cleaning

Ducted	Top extraction
Two piece height adjustable flue	•

### Performance

Extraction type	Surface
Fan speeds	Variable

### Power requirements

Lighting power	2 W
Motor power	150 W
Total Power	158 W

### Product dimensions

Depth	535 mm
Height	625 - 930 mm
Width	895 mm

### Ventilation features

Light type	LED

#### Where applicable:

All appliances use energy, and energy usage typically generates carbon emissions. **Fisher & Paykel Appliances' In-use Energy Carbon Emissions Estimate** indicates carbon emissions from a product's in-use energy. This is calculated either annually or per cycle, using the product's market-specific energy label energy consumption data multiplied by the carbon emissions factor for energy in your country or region.

Our In-use Energy Carbon Emissions Estimate is designed to assist customers in making informed purchasing decisions when comparing different Fisher & Paykel products. For example, a heat pump dryer typically has a lower In-use Energy Carbon Emissions Estimate than a vented dryer.
