# 90cm Series 7 3 Burner Gas Cooktop, Natural Gas

Width Depth

Series 7 | Contemporary

Stainless Steel | Natural Gas

# **FEATURES & BENEFITS**

## **Precise Control**

The consistent flame and heat distribution of the burners, including the wok burner, combined with highly responsive dials offer precise heat control. Perfect a slow simmer for sauces or an intense heat for searing steaks.

# Easy Handling

With flat cast-iron grates, pots and pans can easily be slid across elements, coming in handy in busy cooking environments.

# Safe And Sound

59 mm

The flame failure safety device automatically turns off the gas if the flame is accidentally extinguished.

## Complementary Design

900 mm

450 mm

The brushed stainless steel and polished metal trim has been designed for durability but also provides a modern, stylish finish, matching the Fisher & Paykel family of kitchen appliances.

# Easy Cleaning

The stainless steel component is easily accessible and quick to clean. Cast iron trivets provide a durable and stable cooking platform, with rubber feet to prevent them from scratching the cooktop.

# Handy Accessories

This cooktop comes with a small pan support and wok stand to complement different cooking styles.

# SPECIFICATIONS

## Accessories (included)

Small pan support	•
Wok stand	true

# Burner ratings

Semi-rapid burner power	1.8kW
Wok burner power	5.0kW
Burners	
Number of burners	3
Cleaning	

Easy clean cooktop design
