

# 490L Series 5 Refrigerator Freezer, Ice & Water

Series 5 | Contemporary

With ample storage and a stylish stainless steel finish, for a timeless look.

- ActiveSmart helps keep food fresher for longer
- Spacious bottom freezer with easy-slide internal drawers to separate storage
- Door water dispenser and internal ice maker

## DIMENSIONS

Height 1715 mm

Width 790 mm  
Depth 695 mm

## FEATURES & BENEFITS

### Activesmart Foodcare

Every time you open your refrigerator, the temperature around your food changes. ActiveSmart foodcare adjusts airflow to create a stable temperature, helping your food stay fresher for longer.

### Water Dispenser

The slimline dispenser makes it easy to fill almost any sized jug or vessel with cool filtered water and doesn't take up any storage space in your refrigerator.

### Ice Maker

Fresh ice is always available for you in a dedicated freezer bin. Simply turn it off to free up freezer space or during busy times, you can boost ice production by up to 30%.

### Design Quality

Our refrigerators are designed and built using quality materials. We use real stainless steel, and solid glass for shelving as well as in our wine cabinet doors.

### Easy Cleaning

No more permanent dirty marks with our EZKleen feature for stainless steel refrigerators. Anti-fingerprint coating means you simply wipe clean any marks. Spill-safe secure glass shelves easily capture any drips or leaks.

### Simple Storage

This refrigerator is designed to make it simple for you to store, access and remove food. Storage bins give you full access inside when they're pulled open and can be easily removed to clean. Our flexible shelving also gives you more storage options.

### Clever Energy

Your refrigerator adapts to daily use by cooling and defrosting only when needed. This means it uses only the energy it needs without compromising on food care.

## SPECIFICATIONS

### Accessories (sold separately)

Water filter replacement 847200 - FWC3

### Capacity

Total net volume 490L  
Volume freezer 142 L  
Volume refrigerator 348 L

### Consumption

This is calculated either annually or per cycle, using the product's market-specific energy label energy consumption data multiplied by the carbon emissions factor for energy in your country or region.<br><br>Our In-use Energy Carbon Emissions Estimate is designed to assist customers in making informed purchasing decisions when comparing different Fisher & Paykel products. For example, a heat pump dryer typically has a lower In-use Energy Carbon Emissions Estimate than a vented dryer. |
