

# 381L Series 5 Refrigerator Freezer

Series 5 | Contemporary

Stainless Steel | Right Hinge

- With generous storage and stylish stainless steel design for a timeless look. Perfect for smaller kitchens.
- ActiveSmart technology to help keep food fresher for longer by stopping temperature fluctuation
  - Spacious bottom freezer with easy-slide internal drawers to separate storage
  - Choose which side you'd like your door hinge on to suit your kitchen layout

## DIMENSIONS

|        |         |
|--------|---------|
| Height | 1715 mm |
| Width  | 635 mm  |
| Depth  | 695 mm  |

## FEATURES & BENEFITS

- Activesmart Foodcare**
- Every time you open your refrigerator, the temperature around your food changes. ActiveSmart foodcare adjusts airflow to create a stable temperature, helping your food stay fresher for longer.
- Easy Cleaning**

No more permanent dirty marks with our EZKleen feature for stainless steel refrigerators. Anti-fingerprint coating means you simply wipe clean any marks. Spill-safe secure glass shelves easily capture any drips or leaks.

**Design Quality**

Our refrigerators are designed and built using quality materials. We use real stainless steel, and solid glass for shelving as well as in our wine cabinet doors.

**Clever Energy**

Your refrigerator adapts to daily use by cooling and defrosting only when needed. This means it uses the energy it needs without compromising on food care.

**Humidity Control**

Your fruit and veges need different environments. The humidity control slides in each storage bin create a perfect microclimate for each, which helps keep them fresher for longer.

## SPECIFICATIONS

| Accessories (sold separately) |        |
|-------------------------------|--------|
| Joiner kit                    | 819264 |

| Features                 |             | Warranty  |         | Where applicable:   |
| Adjustable door shelves  | 4           | Parts and labour  | 1 year  | All appliances use energy, and energy usage typically generates carbon emissions. <b>Fisher &amp; Paykel Appliances' In-use Energy Carbon Emissions Estimate</b> indicates carbon emissions from a product's in-use energy. This is calculated either annually or per cycle, using the product's market-specific energy label energy consumption data multiplied by the carbon emissions factor for energy in your country or region. |
| Adjustable glass shelves | 4           | Sealed system parts only  | 5 years |   |
| Covered door shelves     | 2           |   |         |   |
| Door alarm               | •           |   |         |   |
| Fruit and vegetable bins | 2           |   |         |   |
| SmartTouch control panel | •           |   |         |   |
